4. CLASS MS.—Essentially military schools, which are not specially designated by the Secretary of War as in Class MI, at which the curriculum is not sufficiently advanced to carry with it a degree and the average age of students at graduation is less than 21 years, but which otherwise meet the requirements of Class MC and accept and maintain the course of instruction prescribed in the War Department program of instruction for junior division units at essentially military schools.
5. CLASS CS.—High schools and other educational institutions which do not meet the requirements of any of the classes mentioned above.
